DGMH95 Gas Furnace

Two-Stage, Multi-Speed Gas Valve

Up to 96% AFUE

We build quality into every component of our Amana® brand heating and air conditioning products. And our **Amana® Distinctions® brand DGMH95 Two-Stage, Multi-Speed Gas Furnace** is no exception. The DGMH95 furnace can save you money on your heating bills versus lower AFUE units and can provide you with dependable heating performance for years to come.

Two Stages of Comfort

This unit features our TwinComfort™ two-stage gas valve technology, which delivers just the right amount of heat to provide steady, even warmth. This technology helps eliminate the temperature swings resulting from abrupt, high-stage stops and starts of the furnace. Plus, it helps ensure quiet operation and increased air filtration for better indoor air quality.

Quality that is Built to Last

The **Amana Distinctions brand DGMH95 Two-Stage, Multi-Speed Gas Furnace** is built with a long-lasting, heavy-duty aluminized-steel tubular primary heat exchanger and a stainless-steel recuperative coil. The unit features a durable silicon nitride igniter to help lengthen igniter life.

Quality You've Come to Expect from Amana Distinctions Brand Products

Your **Amana Distinctions brand DGMH95 Gas Furnace** provides you with the following benefits:

- Aluminized-steel tubular primary heat exchanger
- Stainless-steel secondary heat exchanger
- Two-stage gas valve with convertible technology that allows installer to activate two-stage operation with a flip of a dipswitch
- Furnace control board with self-diagnostics
- Fully insulated heavy-gage steel cabinet
- Designed for multi-position installation: upflow, horizontal left to right

Additionally, this furnace complies with California Low NOx emissions standards, contributing to better air quality.

Outstanding Limited Warranty Protection *

The **Amana Distinctions brand DGMH95 Gas Furnace** is protected by our Limited Warranty Coverage. *

- **A 10-Year Unit Replacement Limited Warranty*** for the original, registered homeowner
- **A Lifetime Limited Warranty*** on the heat exchanger for the original, registered homeowner for as long as you own your home
- **A 10-Year Parts Limited Warranty*** on all functional parts

*Complete warranty details available from your local dealer or at www.amana-hac.com. To receive the 10-Year Unit Replacement Limited Warranty, Lifetime Heat Exchanger Limited Warranty (good for as long as you own your home) and 10-Year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration is not required in California or Quebec.
